

DIVING PROGRAM

If you are enthusiastic about the ocean depths, the hosts of Guesthouse "Tina", together with the diving club "Modrulj", can organize a diving weekend in Šilo with emphasis on one especially attractive location near Šilo where the Greek ship '*Peltastis*' wrecked during a *bura* wind storm in 1968. '*Peltastis*' lies at a depth of 33 m while the mast reaches a depth of 7 m below the surface of the sea.

THE PACKAGE TOUR includes:

- Accommodation in the apartments of Guesthouse "Tina"
- Welcome drink
- Half board – breakfast, dinner
- Organization and fill up of diving tank
- Boat transportation
- 4 dives including night diving at the wreck site

Duration: 4 days (3 nights)

Period when the package is available: April, May, June, September, October, November

Price per person: 180,00 EUR

The afore-mentioned price applies only to groups of 6 or more people who use their own transportation means.

ANNOTATION: We offer the possibility to prolong or shorten the duration of each package tour depending on the guests' desires. If a guest desires an accommodation of 7 days in the apartments of Guesthouse "Tina" including any of our programs (*fishing, diving or recreational hiking*), the price will be determined according to the price list for overnight stay and half board and it will not be applied to the days when the planned program is taking place; all other changes can be arranged subsequently.
